Turkish Republic of Northern Cyprus

The APS Philatelic Collection has a complete run of TRNC from 1974 to 1984. The first issued (Scott No. 1-7) was released in July of 1974, less than a year following the invasion Cyprus by Turkey in November 1973. While postage stamps continue to be released, Turkey is the only country that recognizes this republic.

Thank you for taking a "tour" of the *Turkish Republic of Northern Cyprus* with us. These album pages have been prepared with items from the APS Reference Collection.

If you have duplicate stamps in your collection, please consider donating them to the APS Reference Collection to help us create future album pages.
